Quality is our Responsibility
THE ENDLESS TASTE

FOUNDER

Mr. Toni Cherfan is a story of self-built entrepreneur and a leader. He started Tony's from scratch after mastering the secret of dough making. He represents success formed day by day with the strength of diligence and willingness. Whenever asked, "How did you do it?", he always merges in his answer these 3 words "patience, honesty and resilience".

Mr. Cherfan is known for his expertise and knowledge in different types of doughs and Lebanese cuisine. He is a convinced that the combination of hard work, consistency and authenticity always pays off and results in reaching goals. He established Tony's Food as a family business to spread families with the best tasting Lebanese cuisine. He is a mentor to his employees spreading them all his skills that he built through the years. He requires rigorousness and meticulousness while at the same time showing value through his words and actions. He is a strong believer that the company's success is directly proportional to the number of skilled and qualified workers it engages.

ABOUT TONY'S FOOD

Cherfan Commercial Est. was established in 1988 and became a part of the "Association of Lebanese Industrialists". It started as producers and manufacturers of frozen doughs and pastries to ready-to-use food selected from the finest Lebanese gourmet. The brand name "TONY'S FOOD" is well known in Lebanon and the Arab countries for its matchless products' quality. Tony's Food aim was to make cooking easier and fun for woman by providing them with the best frozen foods to help them offer their families with the best local cuisine that "tastes like home". It is now expanding its variety of frozen ready-to-use products to vegan foods to suit a wider range of families' lifestyles pattern and keep the mission of making woman's cooking life effortless. The value of this company is maintaining a high level of work ethics and overseeing the safety and quality by abiding to the latest standards of its food at every step along the supply chain from the selection of fine quality raw material to the last step of the production. This ensures customer satisfaction and safety. Authenticity is our company's asset.

A close-up photograph of several assorted frozen pastries and tarts. In the foreground, a tart with a fluted crust is topped with a layer of white cream, fresh raspberries, and a small sprig of green mint. To its left, another tart features a dark chocolate glaze topped with sliced almonds. In the background, other pastries are visible, including one with a dark filling and another with a light-colored filling and berries. The lighting is warm and focused, highlighting the textures of the dough, cream, and fruit.
